EVENT REPORT ON SEED BALL MAKING

Venue : CMRTC

Organizer : NSS CMRTC

Program Officer : M. SAAHUL

Number of Participants : 400+

Description of the Event : As part of the daily volunteering activities conducted from 4:00 PM to 5:30 PM at the office premises, the NSS volunteers organized a special Seed Ball Preparation program. The initiative aimed to promote afforestation and biodiversity conservation through sustainable methods. Volunteers enthusiastically participated in mixing soil, clay, and native plant seeds to prepare eco-friendly seed balls. The activity highlighted an effective technique for restoring greenery in areas where direct plantation is not feasible. It encouraged environmental responsibility and hands-on learning among participants. The program strengthened collective efforts toward ecological restoration and sustainability. The initiative aligns with SDG 13 and SDG 15.
