

**Ref: CE/B.Tech/CEA/ 53<sup>rd</sup>Engineers' Day /2020-21**

**Date: 26.08.2020**

**CIRCULAR**

Sub: Civil Dept./**53<sup>rd</sup>Engineers' Day** / College Level Competitions for Students - Regd.

As a part of 160<sup>th</sup> Birthday of Engineer - Statesman Bharatratna Sir Mokshagundam Visvesvaraya and **53<sup>rd</sup> Engineers' day** celebrations, Civil Engineering Department, CMR Technical Campus is conducting the following events in order to *gain substantial experience, showcase skills, adopt innovative techniques, analyze and evaluate outcomes and uncover personal aptitude.* .

1. College Level Online Quiz Competition
2. e-poster presentation
3. Photography Competition

**Note:**

1. All the Engineering students of **CMR Technical campus** are eligible.
2. No Registration fee for all the competitions.
3. Participation certificates will be provided to all the valid participants
4. Merit certificates will be given to first three places
5. Guidelines are enclosed

**Convener & Head**  
**(Mr. S. Vijaya Bhaskar Reddy)**

**DIRECTOR**  
**(Dr. A. Raji Reddy)**

**TO:**

**HODS:** To inform to all the mentors of the departments to encourage their respective mentees take part in the competitions.

The College website coordinator for necessary action

## 1. Quiz competition

The **quiz** is a form of sport or mind game, attempt to answer questions correctly. It is a game to test knowledge about a certain subject. A **quiz** is also a brief assessment used in education and similar fields to measure growth in knowledge, abilities or skills. Besides the obvious academic benefits of expanding a student's knowledge and exploring new skills, quizzes redefine the education system in significant ways in pandemic situation.

Since questions are based out-of-syllabus and require critical thinking and wide knowledge on *History, GK, Sports, Current burning topics, Arithmetic*, etc. students get into the habit of innovative learning from an early age.

**“Cracking the Quiz is a great opportunity - Crack in stipulated time”**

***Prove yourself***

**Link to Register:** <https://forms.gle/j5sKGFZUSqMEpf6A>

✓ **Link will be active till 5pm, 7<sup>th</sup> September 2020**

### **Guide lines:**

- Duration of test is 100 minutes
- Register through the link provided in the Brochure
- After Successful registration every student will get a confirmation message on or before 09th September 2020
- Quiz will be conducted on 10th September 2020 from 12:00PM to 01:40PM.
- All the Registered students will get a quiz link sharply at 12:00 PM on 10th September 2020 to their respective registered mail ids.
- Students are advised to submit the Quiz Google Form before 01:40PM sharply, Later on the Google form will not be active

### **Note:**

- Participation in the quiz is free and open to all Engineering students of CMR Technical Campus.
- All the Participants will get a participation certificate within 3 working days.
- First three winners selected by Panel Judges will be announced on the Engineers' day i.e 15<sup>th</sup> September 2020 and merit certificates will be provided.

### **Further Queries Contact**

Mr. Chintala Siddartha  
Assistant Professor  
Department of Civil Engineering  
CMR Technical Campus  
Mobile No: +91 9705955051  
E-mail: Siddartha.civil@cmrtc.ac.in

## 2. e-Poster presentation

A Poster is a visual representation of the topic. An e-Poster Presentation is an electronic version of poster presentation, a way to communicate our understanding of topic in a short and concise format.

**“Presenting a Poster is a great opportunity – if you put in the time to prepare”**

**OUR WORK IS THE PRESENTATION OF OUR CAPABILITIES**

### **THEME OF THE POSTER:**

“The Challenges of Engineering in the Age of Knowledge”

Link to Participate: <https://forms.gle/bbHryMeZQ7VM6o1m7>

✓ Link will be active till 5pm, 7<sup>th</sup> September 2020

### **SUBMISSION GUIDE LINES:**

- The Poster should be self-explanatory achieving both coverage and clarity
- Be clear and concise with poster design and content. Overcrowding a poster makes it difficult to read. *Less is More*
- Poster should consist of Title, Name of the student, Roll number and Organization on the top of the poster
- And also consist of Summary of Objectives in brief, Background Information, Method & Conclusion.
- The text should be neat and should be minimum 16 point.
- Recommended to use ARIAL or CALIBRI or SANS SARIF font.
- Use of tables/Graphs/Images/Smart Art is preferable.
- Poster should consist of a single slide.
- File format should be PowerPoint (.ppt/.pptx) and upload in the form of PDF of size less than 100MB

### **NOTE:**

- No registration fee and open to all the engineering students of CMR Technical Campus.
- e-certificates will be provided to all the participants.
- First three positions are selected by Panel Judges will be announced on the Engineers' day i.e 15<sup>th</sup> September 2020 and merit certificates will be provided
