CMR TECHNICAL CAMPUS
UGC AUTONOMOUS

ACCREDITED BY NBA & NAAC with A-GRADE

Vision:

- To impart quality education in serene atmosphere thus strive for excellence in Technology and Research.

Mission:

- To create state of art facilities for effective Teaching - Learning Process.
- Pursue and Disseminate Knowledge based research to meet the needs of Industry & Society.
- Infuse Professional, Ethical and Societal values among Learning Community.

Core Values:

The CMR Technical Campus is guided by the following core values in delivering its mission and pursuing its vision.

- **Accountability:** Demonstrate responsibility for our actions; establish and communicate clearly defined and articulated goals and objectives.
- **Benchmark:** To develop and pursue high standards by encouraging skill development and entrepreneurship to meet industry and society needs.
- **Commitment:** Focus on students and stakeholders needs; continuously evaluate and improve academics, research and infrastructure.
- **Dignity:** Recognize the expertise of all members of the institute and encourage individual contribution and also include stakeholders in the decisions that affect them.

“CMRTC Welcomes all the aspiring Engineers to its vibrant Campus to experience the Innovative Learning Process”

About us

CMR Technical Campus, established in the year 2009, under aegis of CMR Technical Education Society is an UGC Autonomous institute with NBA and NAAC accreditation with 'A' grade. The institute received an All India Rank of 201-250 Band in National Institutional Ranking Framework (NIRF-2021) and 51-75 band in Atal Ranking of Institutions on Innovation Achievements (ARIIA-2020). The lush green Campus, situated in Kandlakoya, Medchal Road has been first choice option to both Urban and Rural students of Telangana. With well-established Teaching & Learning processes, the students are imparted the best of the technological knowledge.

Research and Innovation has been integral part of the institute, which is evident from the Research Grants received, Collaborations, MoUs and Research Centres, the institute possess. Existence of NSS Unit, NCC Unit, Sahaya Club verily demonstrate the fulfilment of social responsibilities by the institute and induction of social values among its students and faculty. The state of art facilities and training with respect to Sports has fetched many awards and laurels to the institute. The various Clubs present in the institute has ensured that all the components which are required for a student to spend a quality time in the institute are being served. As the Tagline of the institute goes, "Think Placements, Think CMR", CMRTC has been the pioneer in training and placing the students in many reputed companies with good packages. CMRTC is a place, where quality is never compromised, working locally to serve globally.

DIRECTOR

Dr. A. Raji Reddy, is a 1990 Batch Mechanical Engineer from Nagpur University. He obtained his Masters' Degree from Regional Engineering College [NIT] Warangal in the year 1992 and Doctoral degree from Osmania University in Mechanical Engineering with Solar Energy as specialization in the year 2008.

In his 28 years of service, he has served in various capacities of administration, research, and academic roles. He even has two years of Industrial experiences in M/s. Ashok Ley Land Ltd., (Ductron Casting Unit), Uppal, Hyderabad.

Currently he has 10 Patents filed on his name and is Investigator of 03 Research Projects to the tune of Rs. 1.2 Crores as Grant from Govt. of India. He has successfully guided 10 M.Tech Projects and is currently guiding 03 research scholars for their Ph.D. His research areas include solar thermal applications, Biomass conversion technologies, solar cooking and Heat transfer. There are over 40 papers to his credit in peer reviewed & reputed International Journals, Conferences & National Conferences. He is reviewer of Elsevier Journals.

Our Strength

I strongly believe **human resource** is as important as infrastructure. Our strength is our faculty and team of administration. The average faculty experience in the institute is above 10 years. We have a good faculty student ratio of 1:15, which enables us to take up mentoring process effectively. Today, we boast mentoring as one of the biggest strength of our institute, wherein every student is well connected to faculty, right from the day of inception to the day of graduation.

COMPUTER SCIENCE AND ENGINEERING & INFORMATION TECHNOLOGY

Computer Science and Engineering & Information Technology with an intake of 240 [CSE] & 120 [IT] is one of the top performing departments of the Institute and the most sought over branch by the students. The department proudly boasts the presence of its Alumni in many reputed Companies like SAP, WIPRO, INFOSYS, etc. with package varying from 8 to 15 Lakhs per Annum. Not only Alumni, the current students have also let the Department high by wining many competitions across the country like Hackathons, Codethons, Poster presentations, Paper presentations and many more. The department has even mentored the students to the stage of 'APP Developers' through 'Patent filers'.

Achievements

- Trained and Certified Faculty Members by WIPRO, Virtusa, Servicenow, Zensor, Google etc.
- Star Grade by IIT Bombay Spoken Tutorials, Top 3 performer Award by IIIT Virtual Labs, Google recognized Campus for GCP.
- Filed 23 patents and 1 Copyright Granted under Software
- 200+ Papers published in reputed peer reviewed indexed Journals.
- Established Research Centres cum Center of Excellences in collaboration with industry in Mobile & Web Technologies, Data Analytics, Internet of Things, Cyber Security and Robotic Process Automation.
- MoU's with 20+ Industries and 8 Foreign Universities.
- 1.5 Crore Research Grant from Govt of India.
- 20 Lakh + Consultancy from various organizations for Application Development.
- 2000+ students are facilitated in 40+ MNC companies with Internships and employment.
- Our Frequent internship providers and recruiters are IBM, NIC, TCS, Value Labs, GGK Technologies, Opentext, BNY MELLON, Pactera Technologies India pvt ltd, Travel Tripper, Cloudchip, Ctrl S, Zensor, Smartbridge, Internshala, Capgemini, Wipro, DxCT, Virtusa, TASK and many more.
- Member of reputed professional bodies like IEEE, ISTE, IETE, ACM and CSI.
- Best Accredited Student Branch Award from Computer Society of India for 4 consecutive times.
- Recognized IEEE WIE (Women In Engineering) CMRTC Affinity Group.

COMPUTER SCIENCE AND ENGINEERING [ARTIFICIAL INTELLIGENCE & MACHINE LEARNING]

B. Tech in Computer Science and Engineering (Artificial Intelligence & Machine Learning) is an undergraduate programme with cutting-edge technologies in Machine Learning, Deep Learning and AI.

- AI software market revenue worldwide will be in 126 billion dollars by 2025. (Approximately 9,45,000 crores)
- AI will be replacing almost 69% managers work load by 2024.
- AI could create 58 million new jobs by 2022 as per Forbes report.
- Huge void is expected in future with respect to AI jobs due to lack of skilled professionals.
- The average salary of AI fresher's in India would be from 8 LPA to 12 LPA.

COMPUTER SCIENCE AND ENGINEERING [DATA SCIENCE]

Data Science is the study of data. It is about extracting, analyzing, visualizing, managing and storing data to create insights. These insights help the companies to make powerful data-driven decisions.

- Global data science platform market size is expected to grow from USD 37.9 billion in 2019 to USD 140.9 billion by 2024.
- Emerging branches will replace almost 69% managers work load by 2024
- 59% of all Data Science and Analytics (DSA) job demand is in Finance and Insurance, Professional Services, and IT.
- By 2024, a shortage of 250,000 data scientists is predicted in the United States alone.
- The average salary of Data Scientist fresher's in India could be 6 LPA to 10 LPA.

ARTIFICIAL INTELLIGENCE & MACHINE LEARNING (AI&ML)

This program aims to develop graduates to explore the frontiers of artificial intelligence and machine learning. The program will prepare the students to implement intelligent systems like driver less cars, AI chatbots.

Career Opportunities:

- Machine Learning Engineer
- AI Engineer
- Business Intelligence Developer
- Robotics Scientist
- Robotic Process Automation Developer
- AI Based App Developer

COMPUTER SCIENCE AND DESIGN

This program aims to develop graduates that are not only well versed with computing approaches, tools, and technologies, but are also experienced with Design approaches and new Media technologies and uses. The program will prepare students to work in the IT industry as well as digital media industry like gaming, animation, virtual/augmented reality, etc.

Career Opportunities:

- Computer Graphics Designer
- UX Designer
- Product Designer
- Game Developer
- Software Engineer

ELECTRONICS & COMMUNICATION ENGINEERING

Department of Electronics and Communication Engineering in CMRTC is popularly known as 'Branch of Consistency'. Consistency in all perspectives. In the current world scenario of Digitalization, Media & Communication, 5G Technologies and many more advancements in technologies related to automation, an ECE Graduate plays an important role in building of Nation through Science & Technology. The skills acquired by the students of ECE has landed them in many reputed companies like Mentor Graphics, L&T Metro, DSP, Bosch, TCS, Hyundai, etc.. The experienced faculty are the driving force of the department.

Achievements:

- 15 Patents filed by the Department till date.
- Over 150 Papers published in reputed Journals.
- Established 03 Research Centres: 1. Centres for VLSI & Embedded System Design 2. Centres for Signal & Image processing 3. Centre for advanced Communication System
- Signed MoUs with more than 15 Companies.
- Won 1st prize in Robotics Competition held by IIT Hyderabad, BITS Hyderabad.
- More than 2000 students are facilitated with Internship in companies like HAL, NRSC, BDL, NFC, DRDL, BHEL, ECIL, etc.
- Received funding from government bodies to a tune of 1 crore.
- Industrial Visits to Satellite launch station Sree Harikota, NRSC Shadnagar, Door Darshan Kendra, Ramanthapur, Air force Station, Hakimpet, Hyderabad Radio Station, L&T Metro Signalling and Control station, Nagole and many more places.
- Highest package of 11 lacks in Microsoft.
- Ongoing Consultancy work worth of 16 Lakhs.
- Equipment worth 43.5 L from National Instrument laboratory under DST-FIST scheme.

MASTER OF BUSINESS ADMINISTRATION

The Department of MBA was established in 2009 with an intake of 60 students and has increased to 180 now. The Department induces an environment of innovative pedagogical methods and practices, sought by the industry. MBA Program of CMRTC do not confine only to academics alone but also infuse the right attitude and values enhancing their skills to face the challenging business world. The department aspires to develop business leaders which are capable of building resilient organisations, whilst adhering to the highest standards of Corporate Governance.

Achievements:

- Modern Teaching Methodology where classroom experience is put through case studies, simulation exercises etc.
- Excellent faculty with blend of experience in both industry and academic background
- Frequent Industrial Visits to make theory put into practise. Interaction with Corporates through Seminars, Workshops and Guest Lectures.
- Entrepreneurship Development Cell along with Incubation Centre.
- Collaboration with Premier Institutions like ISTD, NHRD and HMA for Training.
- State of the Art Laboratories for Soft Skills Training.
- 50+ Papers published by faculty in reputed peer reviewed indexed Journals.
- More than 1000 students are recruited in many reputed companies and MNCs like BYJU'S, TOPPER, JARO Education etc.,
- Sai Deepak Patel, student of MBA 2017-19 bagged World Guinness record in Martial Kicks in One Minute (Single Leg) in Taekwondo.

HUMANITIES & SCIENCES

- Department of Humanities & Sciences is the branch of Basic Sciences and Life skills consisting of Physics, Chemistry, Mathematics, English and Physical Sciences.
- A three weeks Induction program is conducted for the newly admitted B. Tech Students, to orient them towards Professional Engineering Education. Experts from fields of Industry, Scientists, Academicians, Sportsmen, Reputed Counsellors, Govt. Officials, Doctors, and Specific Achievers are invited as resource persons.
- This program acts as a bridge to connect the students with the institute and specifically the teachers, called as Mentors. This enables bonding among the students and removes the fear factor, thus getting tuned to new learning environment.
- Even, the department offers pre - placement training on aptitude and technical subjects related to emerging areas, scheduling from first year itself.
- The department lays foundation to the concepts of Engineering through the fundamental theorems & laws by putting concerted efforts to provide necessary guidance to all the students of I Year B.Tech.
- Right from First year itself the students are provided the blend of Research, Extra Curricular activities and Sports along with academics.
- The students are encouraged to be a part of various clubs like Lexis [Literary Club], Akriti [Cultural Club] and other clubs to innate their hidden talents.
