

5K RUN

Name of the activity: 5K RUN on Kill Cancer.

Organization unit: NSS unit CMRTC.

Year of activity: 2020

No of students participated: 90.

Program officer: J. DURGA PRASAD REDDY

5K run is the long distance running program in which the group of people run along the distance for a cause. In this the people together work together for the cause to create the awareness in among the people.

On the occasion the world cancer day i.e 4th febraury we made awareness among the people by holding banners and wearing the tags which reflect killing cancer.
