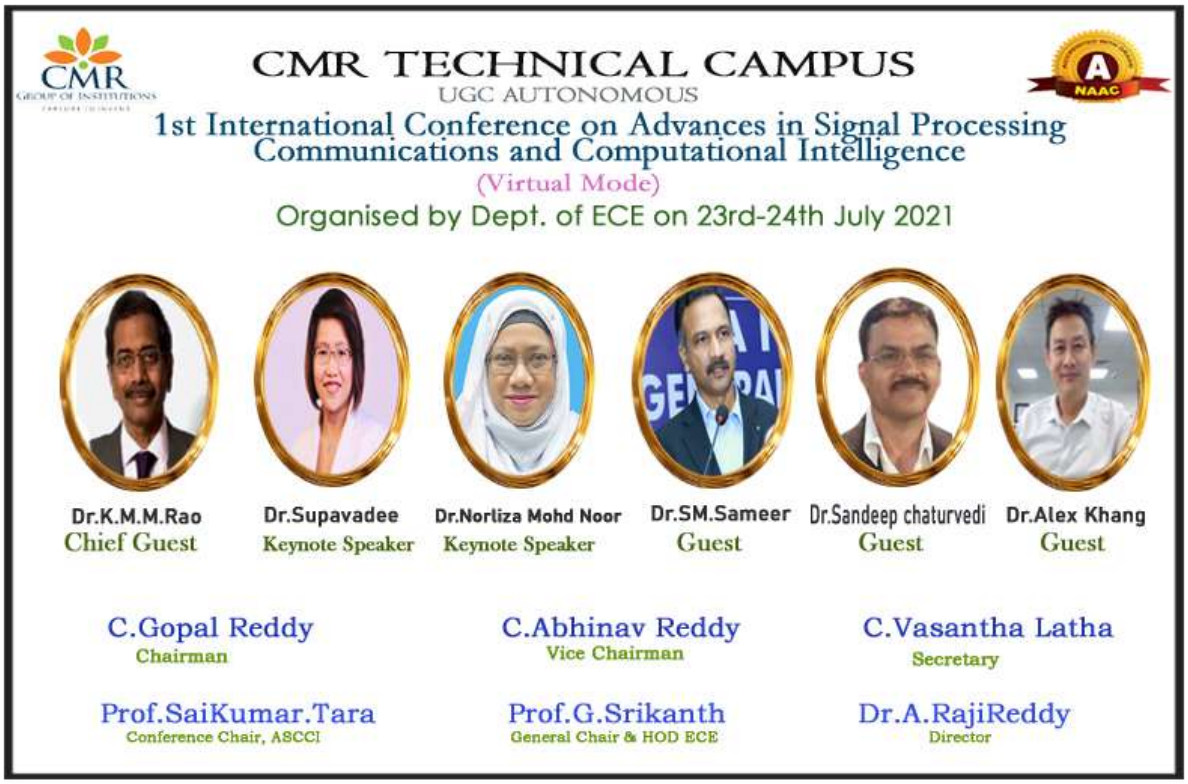
CMR Technical Campus, Hyderabad

1st International Conference on Advances in Signal Processing Communications and Computational Intelligence ASCCI 2021 (Virtual Mode)

Organizing by Department of ECE, CMR Technical Campus, Hyderabad

23rd – 24th July 2021

EVENT REPORT



Preface: 1st International Conference on Advances in Signal Processing Communications and Computational Intelligence

International Conference on Advances in Signal Processing Communications and Computational Intelligence (ASCCI2021) has been successfully conducted on July 23r 2021. The ASCCI 2021 provide forums for accessing to the most up-to-date research in Computer Science, Artificial Intelligence, Signal Processing, Communications and Computational Intelligence with many fields and applications. It was attended by more than 150 participants from India, Indonesia, Ethiopia, Nigeria, Saudi Arabia, and Thailand and was identified as a successfully conducted in the sharing best practice in these fields.

The papers presented in the ASCCI 2021 included in this proceeding has undergone the strict peer review by the experts before they are accepted for publications. We hope this proceeding will contribute in stimulating idea, innovation, and advanced researches among scholars, researchers and academicians.

We would like to thank authors of this proceeding for their valuable contributions, as well as to all reviewers and editors for their constructive comments on polishing all papers. We look forward to meeting you al at future conferences.

Tara Saikumar,

Conference Chair and Editor of, ASCCI 2021

ASCCI '21-International Conference on Advances in Signal Processing Communications and Computational Intelligence is organised by Department of ECE, CMR Technical Campus, and Hyderabad on 23rd -24th July 2021. It aims to provide an expansive inclusion and sharing of current primary research in Signal Processing, Communication Technologies and Computational Intelligence among scientists, scholars, and specialists, from academia and industry. The theme of ASCCI '21 is to identify the recent advances in Signal Processing, Communication Technologies and Computational Intelligence. The conference further intends to publish unique, critical, and visionary papers in this field portraying recent scientific techniques and innovations.

Call for Paper:
We invite all original unpublished research articles based on the theme but not limited to.

- Signal Processing
- Artificial Intelligence
- Fuzzy logic
- Rough Sets
- Signal, Image Processing and Communications
- AI for 5G Technologies
- Video Surveillance and Analytics
- Search heuristics
- Robotics and Control
- Machine Learning
- Planning and scheduling tasks
- Evolutionary Computation
- Neural networks
- Natural Language processing
- Deep Learning
- Video Processing
- Distributed Intelligent Information Systems
- Knowledge Management and Representation
- Machine Learning

Important Dates:
Submission Date: 27th April 2021
Acceptance Date: 04th May 2021
Camera Ready Paper: 30th May 2021

Publication Partner: AIP (American Institute of Physics) indexed in Scopus and WOS.
Submission of paper should be mail to ascci.ece@cmrtc.ac.in
