

THINK TANK-2022 is the event for pooling of innovative ideas and concepts linkage with innovative ambassadors for mentorship.

### **1. Objective of the Program**

- Creating an online or offline platform to ignite innovative thinking.
- The best platform to pool new ideas, business plans and technical concepts from the participants.
- To improve the ability of technical thinking, innovative thought process and real time applicability.
- Any concept that involves societal needs or challenges to be addressed and solutions for various problems to be presented.
- An open platform is arranged to present the ideas to be formed and carried out for the right purpose or good cause.
- Pooling the concepts and innovative ideas guided by respective mentors.
- Contest among concepts to encourage towards the implementation in the form of real time applications.

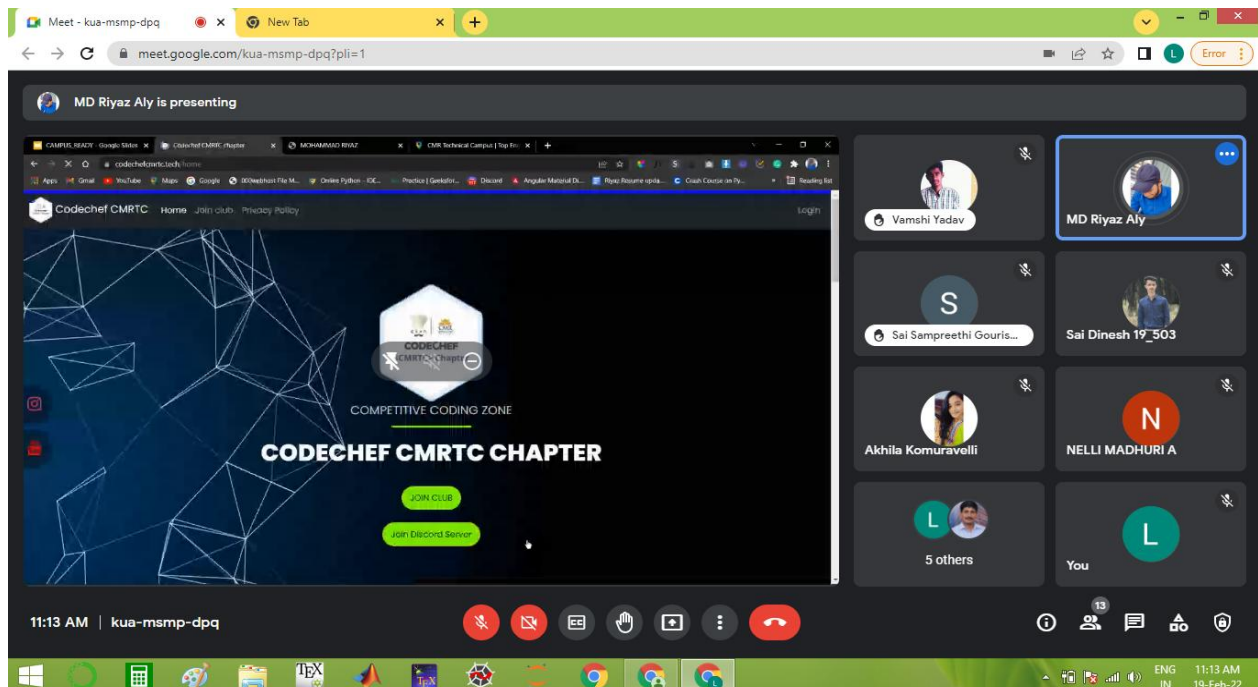

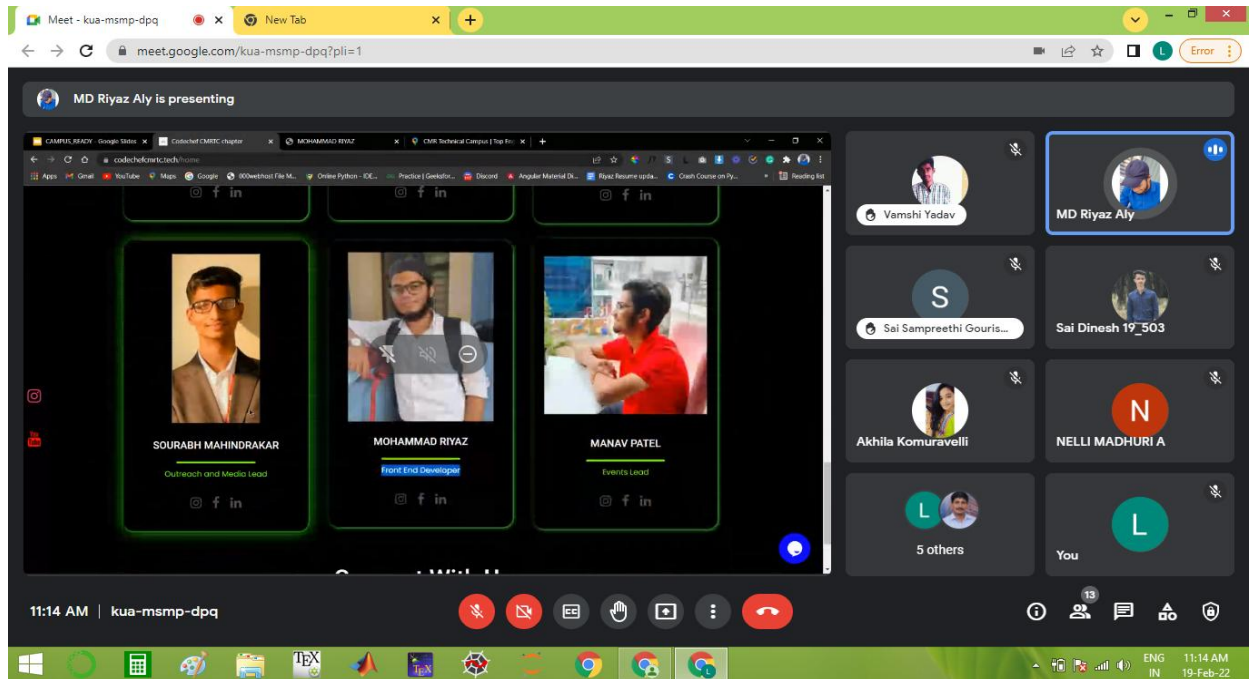

### **2. Benefits /Outcome of the Program**

- All the participants are given chance to register their innovative concepts through the program.
- The ability of thinking has been enhanced and motivated to implement while providing real time solutions through their concepts.
- Mentors guidance and support has been an advantage while the concepts are being shaped and presented in the event.
- All the concepts are being novel and innovative, through which the solutions for various real time problems can be provided.
- The contest has encouraging in identifying top ideas and provided scope to present them in further level of events like smart India hackathon.

### **3. Date: 19 -02-2022**

4. Student Participants number : 124 (Teams)
5. Faculty Participants number: 124 (Mentors)
6. Expenditure amount if any: NIL

Enhanced AI Model for Leather defect Inspection

### Disadvantages of the System

- In Leather Industries due to the human detectors check manually but it requires many people and more time consuming.
- Sometimes unknowingly they may misclassify the leather and send it to for further manufacturing process.

POOL OF CONCEPTS 2022

**REGISTER ANY  
IDEA/CONCEPT**

**PRESENT YOUR  
CONCEPT PROOF**

**WIN AWARDS &  
CERTIFICATES**

**WIN MENTORING  
CERTIFICATES**

**SPECIAL  
AWARDS  
FOR TOPS  
CONCEPTS**

**DATE OF EVENT  
19 - FEBRUARY  
2022, SATURDAY**

**TIME - 10:00 AM**

**LOCATION  
CMRTC  
AUDITORIUM**

## PROGRAM CONVENORS

**Latha Gadepaka**  
Associate Professor  
IIC Faculty Member, CMRTC  
phone:9989624340

**DR. T. S. Mastan Rao**  
Professor & Innovation  
Ambassador, IIC, CMRTC  
phone:9000404339
