Actual Flow of Aarambh:

We started promoting from **November 9** for both **II and III** year students.

We gathered students 15 minutes prior to the start time and started the test on time for III year students and II year students.

There were around 100 teams that qualified from Round 1 to Round 2, which was held on November 16 for III-year students.

There are around 85 students who qualified from Round 1 to Round 2, which was held on November 15 for II Year students.

The director sir distributed the certificate to the top three III-year students and II-year students.

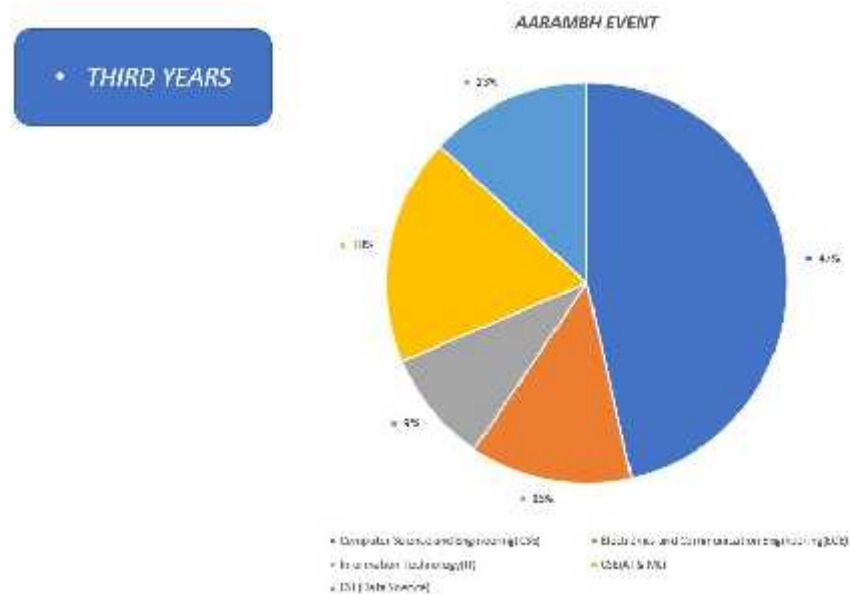

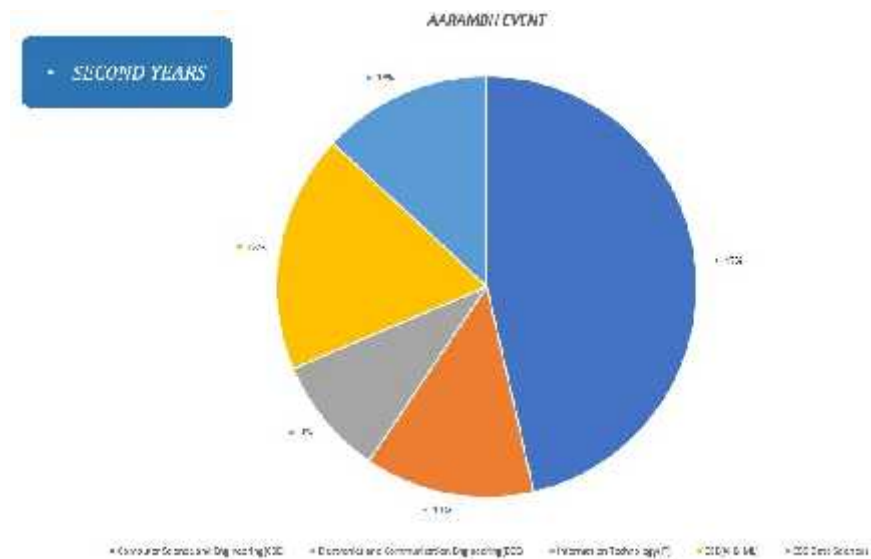

Statistics of Aarambh:

We had around 322 registrations from both II and III year students.

The top 100 teams were qualified to round 2 for III year students.

The top 85 teams were qualified to round 2 for II year students.

The top 20 teams from the third years and second years advance to the final round.
