CODEMANIA Report

ABOUT US

The Team of **CodeOHolics Club** from CMR Technical Campus organized an event **CODEMANIA** which consists of three rounds: one technical quiz round and two coding rounds.

WHAT IS OUR GOAL?

It's a coding contest for all the II and III year students who are interested in coding. Our goal is to inculcate coding culture in the students and make them know what competitive coding is all about.

VENUE & TIMINGS:

Round 1: Technical Quiz

        Mode   :Online
        Platform   :HackerEarth
        Date   :23 september (Both for III Year students and II Year students)
        Timings   :10:00 am to 10:00 pm

Round 2: Coding Contest

        Mode   :Offline
        Venue   :Tech drone Lab(228) and (229) & D-Block Lab (112)
        FOR III Year Students - Date: 24 September
        FOR II Year Students - Date: 25 September
        Timings   :10:50 am to 12:20 pm

Round 3: Coding Contest

        Mode   :Offline
        Venue   :Tech drone Lab(228) and (229)
        FOR III Year Students - Date: 24 September
        FOR II Year Students - Date: 25 September
        Timings   : 2:50 am to 4:00pm

TEAM:

Faculty Advisors:

Dr. B Kavitha Rani PROF & HOD(IT)

Mrs M. Shiva jyothi (Asst.Prof)

Students Core Team (Core Organizers):

1. Sowmya(President)
2. vashishta(Vice-President)
3. Jahnavai(Vice-President)
4. Akshaya(Event's Lead)
5. Ravi Teja(Outreach Lead)
6. Rakesh(Media Lead)
7. Chaitanya(CP Lead)
8. Santosh(Development Lead)
9. Nithin

Actual Flow of Codemania:

We started promoting from September 19 for both **II and III** year students.
We gathered students 15 minutes prior to the start time and started the test on time for III year students and II year students.
There were around 100 teams that qualified from Round 1 to Round 2, which was held on September 24 for III-year students.
There are around 85 students who qualified from Round 1 to Round 2, which was held on September 25 for II Year students.
The director sir distributed the certificate to the top three III-year students and II-year students.

Statistics of Codemania:

We had around 280 registrations from both II and III year students.

The top 100 teams were qualified to round 2 for III year students.
The top 85 teams were qualified to round 2 for II year students.
The top 20 teams from the third years and second years advance to the final round.

Sponsors:

TitleSponsor: CMR TECHNICAL CAMPUS

Top 3 from III year students are**: Winner - Abhiram(CSE)**

Runner Up 1 -Kalyan(CSE)

Runner Up 2 -Charry(CSE)

Top 3 from II year students are: **Winner -Jayanth(ECE)**

Runner Up 1 - Prabhath(CSE)

Runner Up 2 - Kalyani(CSE)

Outcomes:

They learned about different data structures and Algorithms that help them to crack the top MNC companies and to get placed and by this event we hope to make a good coding environment in the college.

Few Glimpses:
