An Exposure Visit to Atal Incubation Centre

Objectives of the event:

1. To Sensitising students towards start up culture
2. To understand Different phases Involved converting Idea to start-up
3. To Understanding incubator role in start-ups.

On 18,19th April 2022 an Exposure visit to Atal Incubation Center was conducted. In these two days Every day 30 students have visited **Atal Incubation Centre Located in Hyderabad** . Once reaching to the incubation centre 10.30 Am the following activities are conducted.

11:00 am - Arrival at CRF + Refreshments

11:15 am - Welcome note at lecture hall followed by a presentation on AIC-CCMB (video)

11:30 am - SIP program and student initiatives followed by interactive student session

12: 15 pm - Tour of AIC facilities - 3 groups

12:30 pm - Departure

There are 60 students from II, III- B.Tech. participated in this event. Students are actively involved in the discussions with mentors . They understand complete incubation Eco system. They have spoken to various start-ups available at the center and able to understand real time problems they are facing in establishing Start-Ups.
