Event Date: 01-03-2021

Event Title: National Science Day-2021

Chief Guests:

1. Jaya Saxena, Scientist, NRSC, ISRO
2. T Shanker Prasad, Scientist, NRSC

Gist of the Event:

Objective:

National Science Day is celebrated to spread a message about the importance of science used in the daily life of the people. display all the activities, efforts and achievements in the field of science for human welfare. It is celebrated to discuss all the issues and implement new technologies for the development in the field of science. To give an opportunity to the scientific minded citizens in India. To encourage the people as well as popularize science and technology.

National Science Day (NSD) will be conducted on February 28 to commemorate the discovery of Raman Effect by Sir Chandrasekhara Venkata Raman. He went on to receive a Nobel Prize for this discovery in the year 1930. The day is celebrated to mark the importance of contributions made by scientists towards the development of our nation and the world as a whole. It is used to create awareness about the role of science in society. The theme for National Science Day 2021 is 'Future of STI: Impact on Education Skills and Work'.
