Event Report

Date: 13-10-2023

Time: 2:00pm to 4:00pm

Venue: D – Block, Room no 207 ,CMRTC

Description

The students assembled at the session by 02:15 and then settled down quickly. The guest of the session (**P. Sriven Srilaxmi**) was present and the guide of AECE and whole ECE association team was also present.

The anchor started the session by inviting the guest to address us the topic was on **ETICAL HACKING**

The guest took over the session and spoke about the general questions on ethical hacking and then she briefly mentioned all her Career struggles and her perseverance on subject then she moved forward on the main topic

She then has gave awareness to students about the ethical hacking and how it works and how people make a legal and illegal use of it and what are the precautions that should be taken to protect ourself from the spam.

- The guest continued the session by speaking about the different scopes and benefits of cyber security and how it actually works on the real life basis

She also emphasized on the social media addiction on anticipation and gamification also about the dark side of fame like likes and shares.

The HOD of ECE Department then addressed us and encouraged us to learn the skills of etical hacking and has given a brief overview on the importance of cyber security

The event was then concluded by the AECE anchor by 4:00pm.
