To Whomsoever it May Concern,

Subject: Letter of Experience for Short Internship

This is to certify that Mr. Macharla S Vamshi Kumar has successfully completed their short-term, project-based internship in the capacity of Civil Engineer with the company. During the course of their internship, they have shown great promise with their work and enthusiasm for the developing technology.

We wish Mr. Vamshi the best with their future endeavours.

Internship Details -

Duration: July 25th, 2022 to August 25th 2022

Position: Civil Engineer Immediate Supervisor: Mr. Dhruv Gandhi

Work Description: Material Development and Analysis for 3D printable mixes

About the Company:

Simpliforge Creations is an additive manufacturing (AM) solutions company imparting holistic AM technology adoption. Having Mr. Harish Rao, Finance minister of Telangana for inauguration of the India's first and South Asia's largest Robotic Construction 3D Printer capable of full-scale construction, Simpliforge is building some of world's first structures pushing the envelope of construction, architecture, design and computation. Being one of the rare companies in India to do so, Simpliforge seeks the best creative minds to propel towards construction automation.
