

SCHOLARSHIP POLICY

CMR Technical Campus is deeply committed to fostering a culture of education and opportunities to deserving students. To further this commitment, the institution has introduced our Education Scholarship Policy, aimed at providing financial support to the children of our employees, top-performing students who come from families below the poverty line and students who are participated in sports at district level and above. This policy underscores our belief that every deserving student, regardless of background, should have the chance to pursue higher education.

Policy Details:

1. Eligibility Criteria:

This policy extends scholarships to three categories of individuals:

A. Children of [Company/Organization Name] Employees:

To qualify, the student must be a dependent of a current, full-time employee. We do not place any restrictions based on the employee's position, department, or tenure within the organization.

B. Toppers in Intermediate hail from Below the Poverty Line:

This scholarship is open to students who have achieved the highest ranks in their intermediate exams and hail from families classified as 'below the poverty line' in accordance with government standards. We are committed to ensuring equal opportunity without any reservations or discrimination.

C. Sports scholarship:

This scheme is to encourage students those who have participated in sports events at district level and above.

2. Scholarship Benefits:

Under this policy:

A. Children of [Company/Organization Name] Employees:

Scholarships will cover a significant portion of the tuition and educational expenses for undergraduate studies. The exact scholarship amount will depend on various factors, including academic performance and financial need.
