DEPARTMENT OF CSE(AIML)

REPORT

Session on How to Plan for Start-up and Legal Ethical steps ,Institution's Innovation Council (IIC 4.0),Ministry of Education (MOE's),Govt. of India.

Objective of the Program

- In order to provide students with the basic knowledge about how to plan a start-up and the steps to be taken towards achieving goals
- The main objective of the session was is to help the students to plan a startup of their interest.
- Objective of this session is to form a comprehensive system for students, to enable them to foster the culture of innovation from the early stage of ideas, to the stage of a successful start-ups.
- The goal of the webinar was to get participants understand the challenges and excitement in starting a small business. The legal requirements to launch a small business that is both profitable and compliant.

Benefits /Outcome of the Program

- Various aspects of startups were discussed in the session including the idea, mission and legal methods.
- Mainly emphasized that more than earning for ourselves, startups should be quite innovative that would help the lives of ordinary people.
- Mainly emphasized upon the need to develop an entrepreneurial approach necessary for the growth and success of any business.
- The session was of great benefit for all the young innovators who were planning for their start-up and business and boost their motivation to the next level.
