# **DEPARTMENTOF COMPUTER SCIENCE AND ENGINEERING**

#### **REPORT**

Session Topic: "Business Model Canvas- An Approach for Converting Idea into Business Model"

1. Objective of the Program: It allows you to depict your thinking and business model in a visual format.

## 2. Benefits/Outcome of the Program:

Business Model Canvas is focused

BMC is clear and concise:

Reduces the risk of failure:

Scientific framework that works: Business model canvas is a tried and tested methodology not only for startups but also for innovating in large enterprises

### 3. Description:

BMC is now the standard used not only by startups but also companies like **Microsoft, GE, Master card**. The goal is to look beyond spreadsheets, market research and financial projections. It is interesting to note that although the main focus of the BMC is to establish the foundation of your business model, it also helps in enhancing your business as it evolves. If you want to be a successful startup, you need something powerful like the business model canvas.
