DEPARTMENT OF CSE(AIML)

REPORT

Session on Intellectual Property Rights(IPR) organized by CSE(AI & ML) department, Institution's Innovation Council(IIC 5.0), Ministry of Education (MOE's), Govt. of India.

1. Objective of the Program

- The main objective behind the Program is to make a better future for the country by motivating the Students and spreading the importance of IPR as it fosters entrepreneurial initiatives and provide a competitive edge in the job market of Innovation, Entrepreneurship and Start-ups.
- To Introduce how IPR protects creative ideas, encourages innovation, and offers career advantages.
- Assist students in comprehending how IPR relates to their projects, innovations, and potential future endeavors.
- To enrich the understanding and ignite the abilities of aspiring young minds, fostering their potential as successful future entrepreneurs.

2. Benefits /Outcome of the Program

- Equip participants with insights into IPR's pivotal role in entrepreneurship and innovation, encouraging them to become future-driven entrepreneurs.
- Foster creative thinking by showing how IPR can infuse innovation into projects, setting attendees on a path of originality and market impact.
- Instill an enduring dedication to safeguarding intellectual property, fostering a culture that reveres creativity and innovation among attendees.
- Bridge the gap between theory and practice by utilizing hands-on case studies, empowering participants to grasp and implement IPR principles within real-life situations.
