

## DEPARTMENT OF ECE

### Report

**World Environment Day (5<sup>th</sup> June 2023)** event organized by ECE in association with Institution's Innovation Council (IIC 5.0), Ministry of Education (MOE's), Govt. of India.

**1. Objective of the Program:**

It aims to halt the degradation of ecosystems, and restore them to achieve global goals. Only with healthy ecosystems can we enhance people's livelihoods, counteract climate change, and stop the collapse of biodiversity. e-Poster Presentation Contest conduction done with the theme "Focus on Solutions to Plastic Pollution"

**2. Benefits/Outcome of the Program:** One of its primary purposes is to raise awareness about pressing environmental issues that threaten the health of our planet. Students have presented the posters considering the challenges of climate change, deforestation, pollution, and species extinction are intertwined, a reality that we must recognize on World Environment Day.

**3. Date: 05-06-2023**

**4. Student Participants number: 45**

**5. Faculty Participants number: 03**

**6. Expenditure amount if any: Rs. 2000/-**
