Event Report

Date: 03-01-2024

Time: 2:00pm to 4:00pm

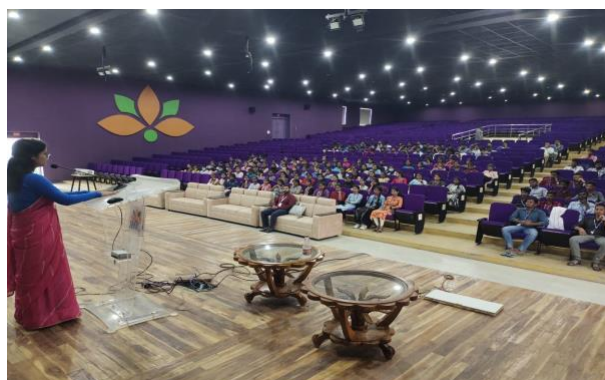

Venue: D– Block, Auditorium ,CMRTC

Description

The students assembled at the session by 02:15 and then settled down quickly. The guest of the session (**Yogesh sir and Bhavana madam**) was present and the guide of AECE and whole ECE association team was also present.

The anchor started the session by brief preview about the program and there was a funtime activity was **IQ based**

The guest took over the session and introduced about the EZ company and then guest explained about the training session that will be conducted by them and suggested us which domain to choose in the training field

then the another guest had addressed us about the IOT based training and brief explanation on how it works and what's our role in it and the future use of it

- The guest continued the session by speaking about the different platform and then suggested students to enroll in platforms like gethub and raintrup etc..

She also emphasized on the training period and how they planed the program for smooth going for students along with academics

The TPO of CMRTC then addressed us and encouraged us to learn the skills of programming and has given a brief overview on the importance of learning and getting a placement.

The event was then concluded by the AECE anchor by 4:00pm.
