

1. **Session Title:** **Identifying and Choice of Entrepreneurship Opportunities**
2. **Description:** Identifying entrepreneurship is the process of recognizing opportunities and turning them into a successful business venture. It involves several key components, including a clear understanding of the market, the ability to develop and execute a business plan, and the willingness to take calculated risks. The choice to become an entrepreneur requires determination, initiative, and a strong work ethic. It can also involve a combination of personal, financial, and professional factors.

Objectives of Competition

1. To create awareness regarding opportunities for today's entrepreneurs.
2. To encourage students to start a start-up.

Outcomes of Competition

1. The session brings out the opportunities for start-ups.
2. The session provided encouragement for students to become entrepreneurs.
