

Guest Lecture was organised by EDC Cell, CMR technical Campus on 31.03.2023 from 11:20 to 12:20 pm by Dr.Krishna has taken lecture on “The Role of Bayes’ Theorem in Secession Making: Entrepreneurs Perspective” at ECE Seminar hall. Room no: 318 In this session total 40 students and faculty participated. The speaker explains Bayes' Theorem is a probability theory that is widely used in various fields, including economics, finance, and decision-making. In the context of secession making, Bayes' Theorem can be used to evaluate the probability of success of a secession effort. Entrepreneurs can use this theorem to assess the risks and rewards of secession, taking into account the probability of success and the likelihood of potential outcomes.
