

## EVENT REPORT ON - INTERNATIONAL YEAR OF MILLETS

**Date of the event Held: 12.12.2023**

**Organizer: NCC**

**Venue/Place: CMR TECHNICAL CAMPUS**

**Number of students Participants ( students and Staff): 50**

**Description of the event:** On December 12, 2023, CMR Technical Campus was abuzz with activity as 50 enthusiastic cadets participated in the International Year of Millets (IYOM) event. The day commenced with a vibrant poster-making competition, where creativity flourished as students showcased the nutritional benefits and cultural significance of millets. Simultaneously, a presentation competition in the seminar hall captivated audiences with insightful discussions on the role of millets in promoting health and sustainability. Adding depth to the event, a distinguished doctor shared valuable insights during an information session, highlighting the nutritional value and health benefits of incorporating millets into one's diet. Through these engaging activities, the IYOM event not only celebrated the importance of millets but also educated and inspired the campus community to embrace these nutritious grains for a healthier future.

**Outcome of the event:** The International Year of Millets (IYOM) event at CMR Technical Campus on December 12, 2023, yielded a profound impact. The poster-making and presentation competitions showcased the creative talents and knowledge of the participating cadets, while the information session led by a doctor provided valuable insights into the nutritional benefits of millets. As a result, attendees gained a deeper understanding of the importance of incorporating millets into their diets for improved health and sustainability. The event served as a catalyst for promoting awareness and encouraging the adoption of millets, fostering a culture of wellness and environmental stewardship within the campus community.
