About the Programme:

It is a Drone Student Training Programme that offers a dynamic learning experience, guiding participants through the fundamentals of this powerful Drone. Drones, also known as Unmanned Aerial Vehicles (UAVs) or Unmanned Aircraft Systems (UAS), are aircraft without a human pilot aboard. They can be controlled remotely by a human operator or autonomously by onboard computers.

It is a One day Workshop Conducted on 23rd February 2024 , Almost 70+ students from ECE dept shown interest to participate in this workshop and Trainer From NIPHM and Marut Drone Academy Trained the students very Well.

Students participated and Learnt a lot from the workshop like How Drone Operates and How to Control Drone, etc.
