

A dark blue header with a futuristic, glowing aesthetic. It features a central white microchip icon, a glowing blue DNA double helix on the right, and various abstract digital and medical symbols like a brain scan and a laptop. The text is in a bold, white, sans-serif font.

# ARTIFICIAL INTELLIGENCE MEDICAL AND ENGINEERING RESEARCHERS SOCIETY

## BEST AI LAB FACILITY AWARD

Presented to

### CMR TECHNICAL CAMPUS

for setting the standard in artificial intelligence education and research with your state-of-the-art AI Lab. The 'Best AI Lab Facility Award' commends your excellence in providing cutting-edge resources and an innovative environment that nurtures future leaders in AI. Your commitment to advancing technology and fostering a culture of learning and experimentation has made a significant impact on students and the broader AI community.

Congratulations on your remarkable achievement and for being a beacon of innovation and excellence in the field of AI

A handwritten signature in black ink, reading 'Sai Satish'.

**D.Sai Satish,**  
**President, AIMER Society**
