EVENT REPORT ON - DIABETES DAY

Date of the event Held: 14.11.2023

Organizer: NCC

Venue/Place: CMR Technical Campus

Number of students Participants (students and Staff): 80

Description about the Event: On December 12, 2023, CMR Technical Campus observed Diabetes Day with fervor and purpose. Along with students of CMRIMS, the cadets led a rallying cry against the looming threat of diabetes, taking to the streets of surrounding villages to spread awareness of its detrimental effects. With banners waving and voices raised in unity, they marched as ambassadors of health, educating community members about the risks and preventive measures associated with diabetes. Through engaging conversations and informative pamphlets, they empowered individuals to make healthier lifestyle choices and seek timely medical intervention. Their efforts resonated deeply, igniting a spark of awareness and inspiring positive action in the fight against diabetes.

Outcome of the event: The Diabetes Day event at CMR Technical Campus on December 12, 2023, yielded a significant impact on both the campus community and surrounding villages. The rally conducted by 30 dedicated cadets served as a catalyst for raising awareness about the dangers of diabetes and promoting preventive measures. Their efforts sparked meaningful conversations and prompted individuals to prioritize their health and wellbeing. Through education and advocacy, the event inspired positive action and empowered people to take control of their health, ultimately contributing to a healthier and more informed community.
