

## EVENT REPORT ON

### “RASPBERRY-PI PICO BASED PROJECTS LAB WITH MICROPYTHON & C++”

**Date of the event Held:** 14<sup>th</sup> March 2024

**Organizer:** Robotics Club, ECE, CMR Technical Campus, Kandlakoya, Hyderabad.

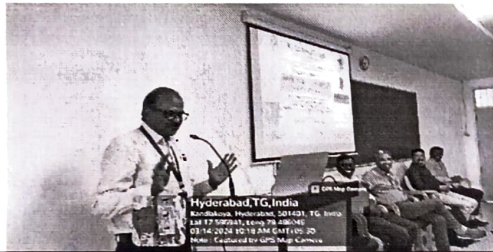

**Venue/Place:** Room no: - 318, Seminar Hall (B-Block, III- Floor)

**Number of students Participants (students and Staff):** 48

**Description about the Event:** The Robotics Club of CMR Technical Campus hosted a Raspberry Pi Pico workshop with Mr. Bipin Shyam Gondane from Siddhartha Technologies and Services Pvt. Ltd. He emphasized electronics' role in industry advancement and India's development. Gondane compared Arduino and Raspberry Pi Pico, showcasing coding and integration using Arduino IDE. He presented real-time projects, engaging students and enhancing their skills. His adept explanations boosted comprehension. Gondane concluded by guiding attendees on implementing solutions for real-world challenges.

**Outcome of the event:** Students gained insights into Raspberry Pi Pico, coding, and real-world applications, enhancing skills for tackling industry challenges effectively.
