

DEPARTMENT OF CSE(AI & ML)

Report

Incubation Centre Visit - A Research Startup Showcase by Centre for Innovation and Entrepreneurship (CIE) IIIT Hyderabad organized by CSE (AI & ML) department in Association with Institution's Innovation Council (IIC 6.0), Ministry of Education (MOE's), Govt. of India.

1. Objective of the Program

- The main objective behind the Program is to make a better future for the country by motivating the Students and spreading the importance of Innovation, Entrepreneurship and Start-ups.
- Encouragement towards Innovation and nurture the Innovative ideas among the student community.
- To encourage new age entrepreneurs and young minds to transform their innovative ideas into viable business propositions.
- To enhance the knowledge and kindle the skills of the young minds aspiring to be successful future Entrepreneurs.
- To encourage students by exposing them with innovative ideas and the processes involved in creating Start-Ups

2. Benefits /Outcome of the Program

- To inspire the students and bring out awareness regarding Entrepreneurial life right from the scratch and offer a multitude of suggestions.
- Explore the students with the key skills they need to create Start-ups and succeed in their life, that in turn boosts the productivity, growth and profitability of the country as whole.
- Inspire the students with the new ideas or innovations and motivate them to get the ideas into the market by being an Entrepreneur in the near future.
