

That's fantastic news! Congratulations to Cadet Hanshitha! It's a significant achievement to have her article selected for the NCC Directorate Andhra Pradesh & Telangana's Yuvata Shakti 2023. It must feel incredibly rewarding for her to have her work recognized in such a prestigious platform.

Chronicling the experiences and events of the **ALL INDIA VAYU SAINIK Camp** would be quite fascinating. It's not only a great opportunity for Hanshitha to share her insights and observations but also for others to gain a deeper understanding of the camp and its significance. It must have been quite an honor for her to have her article selected for such a platform. I imagine it captures the spirit and essence of the camp vividly.
