

**EVENT REPORT ON INTINTA INNOVATION**

**Date of the event Held: 15-08-2024**

**Organizer: Organized by the Telangana State Innovation Cell (TSIC)**

**Venue/Place: District Collectorates of Various district of Telangana**

**Number of students Participants (students): 36**

**Description about the Event:** Intinta Innovation 2024, organized by the Telangana State Innovation Cell (TSIC), was held on August 15, 2024, at District Collectorates across Telangana. The event served as a platform for students and faculty to present their innovative projects.

CMR Technical Campus participated with 12 project teams from the Electronics and Communication Engineering (ECE) department, who showcased their innovations at District Collectorate offices in Kamareddy, Hanamkonda, Mulugu, Mahabubnagar, and Jagtial. These projects addressed real-world challenges through technological solutions.

District Collectors and Heads of various departments, who attended as Chief Guests, interacted with the teams and provided valuable feedback. The projects from CMR Technical Campus were praised for their creativity and practical applications.

Participation in Intinta Innovation 2024 highlighted the technical skills of CMR Technical Campus students and reinforced the institution's commitment to innovation, offering significant exposure and recognition for the teams.
