

EVENT REPORT ON ECO FRIENDLY GANESHA

Date of the event Held:

Organizer: 6-09-2024

Venue/Place: NSS of CMRTC

Number of students Participants (students and Staff):205

Description about the Event:

The NSS unit of CMR Technical Campus (CMRTC) organized the "ECO-Friendly Ganesha" event on 6th September 2024, with 205 students participating. The event promoted the use of eco-friendly clay Ganesha idols for Ganesh Chaturthi, encouraging sustainable celebrations. Stalls were set up to distribute clay idols, and Deans and Heads of Departments (HoDs) visited to support the initiative.

The event successfully raised awareness among students and faculty about the environmental impact of traditional idols, promoting the adoption of greener alternatives. The active participation of the campus community ensured the event's positive impact on sustainability efforts.
