Organizer: by NSS of CMRTC.

Venue/Place: At Government Scholl, Kandlakoya.

Number of students Participants (students and Staff):154

Description about the Event: The NSS wing of CMRTC organized an awareness program on Good and Bad Touch at the Government School, Kandlakoya, on 12th September 2024, with 154 students in attendance. The program aimed to educate children on understanding personal boundaries and recognizing inappropriate behavior. Through interactive sessions, students were guided on how to identify good and bad touch, how to react in uncomfortable situations, and whom to inform for help.

The volunteers emphasized the importance of open communication with trusted adults. As a gesture of encouragement, gifts were distributed to the children. The event was well-received, successfully raising awareness and fostering a safe environment for the students.
