

## **DEPARTMENT OF CSE(AI & ML)**

### Report

Department of CSE (AI&ML) in association organized an Induction Program “A Session on Unlocking The Future: AI & Machine Learning Revolution” on 04th September 2024 at 1:00 p.m am to 4:00 pm, Venue - Room No - 208, D-Block.

#### **1. Objective of the Program**

- To introduce the basic concepts of Machine Learning.
- To learn about multi layer perceptron and radial basis functions.
- To know about decision trees and ensemble learning.
- To learn about dimensionality reduction and evolutionary learning.

#### **2. Benefits/Outcome of the Program**

- Speaker gave a very informative insight to all attendees regarding the need to develop a right approach for machine learning.
- He emphasized upon the need to develop an machine learning algorithms, necessary for the growth and success of any problem solving and provided the platform to the students to ask questions which made the session highly interactive.
- He stressed upon the need to develop the appropriate research skills which should be inculcated in any individual to become good technical trainers. He guided that we need to have faith in ourselves and in our goals as the clear goals would help us to achieve our dreams.
