**Description about the Event:** The “*Life@Roadside*” event was organized by the Sahaya Club of CMRTC on **13th June 2024**. The event took place at Gandhi Hospital, with a total of 10 participants, including faculty members and students. Our goal was to provide warmth and comfort by distributing blankets, addressing the urgent needs of those living on the streets of Gandhi Hospital, particularly during the colder months. "Life@Roadside" was a meaningful initiative that not only provided physical warmth but also fostered empathy and community spirit. The event was successful in distributing 50+ blankets to individuals in need. The feedback from the community was overwhelmingly positive, with many expressing gratitude for the support they received.
