Description about the Event: The DataZoide Club of the CSE Data Science Department at CMR Technical Campus organized a two-day workshop on Ethical Hacking from October 29-30, 2024. Held at Seminar Hall 208, Block D, the event attracted enthusiastic participation from 126 attendees, including both faculty and students. The workshop commenced with an inaugural ceremony, graced by esteemed guests, including the Director, Deans, and Heads of Departments. Mr. Vishwanath Thamukta from Meta Solutions led the workshop, offering sessions on ethical hacking techniques and their applications. He emphasized the importance of cybersecurity skills and encouraged ethical practice in the field. Participants gained hands-on experience with hacking tools, enhancing their knowledge of data protection and cybersecurity. The workshop equipped attendees with vital skills to address cybersecurity challenges responsibly.
