Description about the Event: The CodeOholics Club organized the “Decentralised Dreamscape: A Web3 & Blockchain Event” on 7th November 2024 at CMR Technical Campus's APJ Hall. The event aimed to introduce the transformative possibilities of Web3 and blockchain to students and staff, drawing an audience of 219 participants. Esteemed speakers Mr. Rajashekar and Mr. Siv Ram Shastri shared valuable insights into blockchain infrastructure, decentralization, and practical applications of Web3 technologies.

The session concluded with an interactive Q&A, allowing attendees to engage directly with the experts. Participants left with a better understanding of the future impact of decentralized systems and the career opportunities they present, making the event a great success in inspiring interest in the world of Web3 and blockchain technology.
