DEPARTMENT OF HUMANITIES AND SCIENCES

REPORT

The Department of Humanities and Sciences organized “ Innovation and Entrepreneurship outreach program in school ” associated with Institution’s Innovation Council (IIC 6.0) , Ministry of Education (MOE’s), Govt. of India on 24/08/2024 at Government High School , Malakpet, Hyderabad.

Objective of the Program :

The session introduced the school’s students to the world of entrepreneurship and innovation, inspiring them to become future leaders. They Learned about the importance of a vibrant local innovation ecosystem. This gave students a perspective on how innovation works through peer group demonstrations and innovative models.

- To foster a culture of innovation and entrepreneurship.
- To equip aspiring entrepreneurs with essential skills and knowledge.
- To create a supportive ecosystem for startups and provide incubation and mentorship.
- To empower participants to develop innovative solutions and create sustainable businesses.
- To contribute to economic growth and job creation.
- To ensure long-term sustainability and scalability through continuous evaluation and learning.

Benefits /Outcome of the Program :

- The Innovation & Entrepreneurship Outreach Program organized a visit to a Government High School, Malakpet , Hyderabad, where we aimed to inspire and educate young students about the world of innovation and entrepreneurship.
- During the interactive session, we shared exciting ideas, real-life success stories, and engaging activities to spark their creativity and problem-solving skills.
- By fostering an entrepreneurial mindset at an early age, we hope to empower these students with the tools and confidence to pursue their passions, think outside the box, and become future leaders in various fields. Through such outreach initiatives, we aspire to contribute to the development of a more innovative and dynamic society.
- By introducing them to the world of innovation and entrepreneurship at a young age, we hope to shape a generation of creative thinkers, problem solvers, and changemakers who will contribute positively to society's growth and progress.

- The program concluded with a visioning exercise, where students were encouraged to envision their future as successful entrepreneurs and leaders in their chosen fields.
