

DEPARTMENT OF CSE (DATA SCIENCE)

Report

An Online Session was conducted by Mr.Thribhuvan Kumar Devaguptapu (**Co-founder, Mannkey Electronics Pvt. Ltd**) on **My Story-Motivational Session by Successful Innovators** which was organized by CSE(DS) on (29th November 2024) in association with Institution's Innovation Council (IIC 7.0), Ministry of Education (MOE's), Govt. of India.

1. Objective of the Program

- Inspire and motivate participants by showcasing real-world success stories and demonstrating what is possible with innovation.
- To ignite a passion for innovation and encourage participants to pursue their own ideas and projects.
- To give attendees an opportunity to present their own innovative ideas or projects and receive valuable feedback.
- To discuss how emerging technologies can drive innovation and shape industries.

2. Benefits/Outcome of the Program

- Participants leave with a deeper understanding of innovation, entrepreneurship, and practical tools that they can apply in their own projects. This may include learning about new technologies, methodologies (like design thinking or lean startup), or strategies for scaling businesses.
- Innovators typically encourage a problem-solving mindset, helping participants learn how to identify issues and think creatively to address them. This can lead to a greater capacity to tackle challenges and adapt solutions in innovative ways.
- Through the session, participants can gain a broader understanding of the innovation ecosystem, including the role of customers, competitors, investors, and other stakeholders. This helps them see how their ideas fit into the larger context of global markets.
