

EVENT REORT ON VISIT TO AIRFORCE STATION DUNDIGAL

Event Name: AIRFORCE STATION VISIT

Date of the event Held: 12-12-2024

Venue/Place: AIRFORCE STATION DUNDIGAL.

Number of students Participants (students):37

Description about the Event: On 12th December 2024, a group of 37 NCC cadets visited the prestigious Airforce Station at Dundigal. The cadets were given an insightful tour of the station, where they had the unique opportunity to witness various fighter jets and training aircraft. Commanders at the station provided detailed explanations about the rigorous training activities and operations carried out at the base. The cadets learned about the critical role the Airforce plays in national defense, the technology behind the jets, and the discipline required for aviation careers. This enriching visit inspired the cadets, offering them a glimpse into the life of Airforce personnel. It was a memorable and motivating experience that left a lasting impression on all the participants.
