

EVENT REPORT ON SURVEY OF PLANTS

Date of the Event: 6th January 2025

Organizer: CMRTC NSS

Venue: CMRTC

Number of Participants (students and Staff): 17

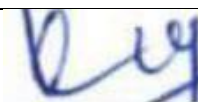

Description about the Event:

The CMRTC students participated in a survey of plants event on January 6, 2025. This survey activity was organized to assess the biodiversity and density of the plants. A total of 17 volunteers participated in this event who were divided into small groups, each assigned a specific area to survey. This event engaged volunteers in environmental monitoring and generating valuable data.
