

## EVENT REPORT ON “DRONE ZONE”

**Date of the event Held:** 17<sup>th</sup> February 2025

**Organizer:** Robotics Club, ECE, CMR Technical Campus, Kandlakoya, Hyderabad.

**Venue/Place:** Main Auditorium

**Number of students Participants (students and Staff):** 800

**Description about the Event:** The **Robotics Club** successfully organized a **Drone Zone Workshop** on **February 17, 2025**, providing valuable insights into drone technology and its applications. The event was held at the **CMRTC Auditorium**, with a dedicated team managing the proceedings. **Sri Charan Lakkaraju, Founder & CEO of Student Tribe**, graced the occasion as the **chief guest**. The event began at **11:30 A.M.**, with the chief guest sharing inspirational thoughts that motivated young enthusiasts. **Dr.K.Bharath Kumar, the Robotics Club in-charge**, then spoke about the significance of the workshop. The **Student Tribe team** delivered an insightful session on drone technology, including types, applications, sensors, navigation systems, and safety regulations. Later, participants moved to the **CMRTC ground** for a live drone demonstration, which excited the students. The event concluded successfully with a **felicitation ceremony**, where our **respected director, A. Raji Reddy Sir**, honored the **guest speakers and organizers**.

**Outcome of the event:** The workshop successfully enhanced participants' understanding of Drone technology, inspiring innovation and hands-on learning.
