DEPARTMENT OF HUMANITIES AND SCIENCES

REPORT:

The Department of Humanities and Sciences organized one day session on "Process of Innovation Development, Technology Readiness Level (TRL); Commercialization of Lab Technologies & Tech-Transfer" associated with Institution's Innovation Council (IIC 7.0), Ministry of Education (MOE's), Govt. of India.

Benefits/Outcome of the Program:

- To Understand the recent trends and technology in innovation.
- Able to know the various terminology associations with technology Readiness Levels
- Awareness about Innovation, Incubation, Startups and Innovation Skills.
- Process of Innovation Development & Technology Readiness Level (TRL) · Commercialization of Lab Technologies & Tech-Transfer ·
- Motivate young students and research scholars to participate in the event and float their ideas.

Description:

CMR Technical campus hosted a thought-provoking event titled "Expert Talk on Process of Innovation Development, Technology Readiness Level (TRL); Commercialization of Lab Technologies & Tech-Transfer" on the 13th of February 2025. The event aimed to delve into the intricacies of innovation development processes, assess technology readiness levels, and explore avenues for the commercialization of laboratory technologies through tech-transfer.

A total of 82 students from various branches and 4 faculty members participated in the event. Prof . M. L. Sai Kumar , Hyderabad, graced the occasion as the resource person, sharing his invaluable insights and expertise with the attendees.

In conclusion, the event successfully achieved its objectives of enhancing understanding, providing insights from an expert, facilitating engagement, and imparting practical knowledge to the attendees. It served as a valuable learning experience for all participants, contributing to their development in the field of innovation development and Skills.
