

1. **Session Title:** Quiz Topia – Unlock Knowledge on Entrepreneurship & IPR

2. **Description:** A quiz competition on Intellectual Property Rights (IPR) and Entrepreneurship would be an engaging event for students and professionals alike. IPR refers to the rights that protect creative and innovative works, such as patents, trademarks, and copyrights. Entrepreneurship involves starting and running a business, often involving innovative ideas and products. Combining these two topics would challenge participants to think critically about how to protect their ideas and innovations while also developing business acumen.

3. **Objectives of Competition**

1. To educate participants about the importance of IPR in entrepreneurship and innovation
2. To foster critical thinking and problem-solving skills related to IPR and business strategies
3. To encourage creativity and innovative ideas in entrepreneurship, while considering IPR aspects

Outcomes of Competition

1. Students may understand Importance of IPR and Entrepreneurship
2. Students will enhance Critical and Problem Solving skills.
3. It encourages creativity and innovative ideas in entrepreneurship, while considering IPR aspects.
