Dr. K. Murali, Associate Professor of CSE(Cyber Security) and Chairman, Board of Studies welcomed all the members and presented a comprehensive report on the scheme and syllabus for the IV year B.Tech - Computer Science and Engineering (Cyber Security) programme, as per R22 Regulation.

The following modifications have been suggested by the committee in the syllabus of IV years.

- Syntactical errors should be removed.
- Expansion of main topics with sub topics in the syllabus of various subjects wherever necessary.

Resolutions

Based upon the recommendations suggested by the committee, all the syntactical errors are corrected and sub topics are added to syllabus for some of the subjects wherever required.

The Chairman concluded the meeting and thanked all the members for attending and sharing their views.

Chairman, BoS
Department of CSE(CS)
