

## DEPARTMENT OF CSE(AI & ML)

### Report

Department of CSE (AI&ML) in association with Institution's Innovation Council (IIC 7.0), Ministry of Education (MOE's), Govt.of India, organized "Entrepreneurship orientation program and industrial awareness" on 28th March 2025, Venue - National Small Industries Corporation Technical Services Centre, Kamalanagar, Kushaiguda, ECIL, HYDERABAD.

#### 1. Objective of the Program

- NTSCs aim to enhance the skills of students and budding entrepreneurs to prepare them for industry demands and self-employment.
- Conduct **Entrepreneurship Development Programs (EDPs)** to guide students in starting and managing small businesses. Provide exposure to business planning, project identification, and feasibility studies.
- Bridge the gap between academic knowledge and industrial requirements. Provide industry-relevant curriculum, tools, and exposure to real-time machines and technologies.
- Offer incubation facilities to students with innovative business ideas. Provide infrastructure, mentorship, and technical support for idea development. Facilitate linkages with banks and financial institutions for startup support.
- Encourage students to participate in innovation-driven activities. Provide access to modern tools, CAD/CAM labs, 3D printing, etc.

#### 2. Benefits /Outcome of the Program

- Access to modern labs, machines, and tools (like CNC, CAD/CAM, 3D printing, etc.). Real-world projects and live simulations. Strong practical exposure compared to regular academic setups.
- Guidance on starting small businesses or startups. Business idea incubation and mentoring support. Assistance in preparing project reports and accessing financial support.
- Career support through industry tie-ups and recruitment drives. Soft skills and interview preparation training.

- ☐ Tie-ups with industries for internships and apprenticeships. Opportunities to work on live industry projects during training.
