

EVENT REPORT – Seminar On Standard Operation Procedure of NAAC

Date of the event Held: 16.09.2023

Organizer: Internal Quality Assurance Cell

Venue/Place: 102,Block B, CMR Technical Campus

Number of students Participants (students and Staff): 43

A one-day faculty program on the **Standard Operating Manual of NAAC** was organized by the **Internal Quality Assurance Cell (IQAC)**, CMRTC on **16th September 2023** at **Room No. 115**. The session, led by **Prof. G. Srikanth**, IQAC Coordinator, and **Dr. Rajkumar Patra**, aimed to enhance faculty understanding of the NAAC accreditation process, documentation standards, and best practices. The resource persons provided insights into institutional preparedness, self-study report (SSR) preparation, and qualitative and quantitative metrics. The interactive session addressed faculty queries on assessment procedures and continuous quality improvement. A total of **43 faculty members** participated, engaging in discussions and case studies to strengthen their knowledge of systematic documentation and data management. **Outcome of the Event:** The program improved faculty awareness of NAAC accreditation requirements and effective report preparation. It empowered them to contribute to institutional quality enhancement and continuous improvement.
