

EVENT REPORT ON GREEN SPOT CHALLENGE

Date of the event Held: 25TH JUNE 2025

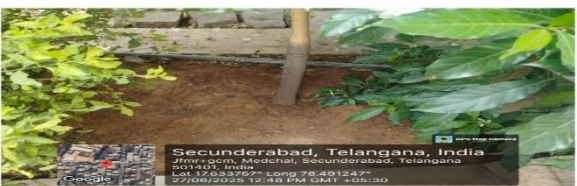

Organizer: CMRTC NSS

Venue/Place: Residential areas and public spaces

Number of students Participants (students and Staff): 150+

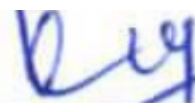

Description about the Event:

The Green Spot Challenge is an eco-friendly initiative promoting environmental responsibility. It encourages individuals to create or maintain green spaces by planting trees, gardening, or cleaning areas. Participants document and share their efforts to inspire others, fostering community involvement and awareness towards building a cleaner and greener environment.
