Dr S Rao Chintalapudi, Professor of CSE(AI&ML) and Chairman, Board of Studies welcomed all the members and presented a report on R25 B. Tech four years course structure and I, II year syllabus of CSE(AI&ML) has been discussed in detail and resolved as follows:

- Course Objectives and Course Outcomes are modified for some courses.
- As the content of Data Analytics and Visualization Theory and Lab repeated in other courses like machine learning, these courses were removed from III Year I Semester.
- Natural Language Processing Theory and Lab moved from III Year II Semester to III Year I Semester in the place of Data Analytics and Visualization.
- Multi Agent Systems Theory and Lab introduced in III Year II Semester in the place of Natural Language Processing.
- Generative AI Theory and Lab course titles were renamed as Generative and Agentic AI, Generative and Agentic AI Lab.
- In Open Elective-II, suggested to add the course titled Introduction to Cyber Security.
- In Open Elective-III, suggested to add the course titled Generative AI Tools.
- The committee recommended encouraging students to complete certifications and add-on courses from various online sources such as NPTEL, IIT Bombay Spoken Tutorial, EduSkills, Infosys Springboard...etc.

The BOS members expressed their high appreciation and satisfaction with the courses and activities of the Department.

The Chairman concluded the meeting and thanked all the members for attending and sharing their views.
