**Date:** 25/09/2025

**Duration:** 2 hours

**Activity Level:** 01

**Expenditure:** Nil

**Activity Category:** Self-driven

**Theme:** Providing knowledge about the Innovation

### Expert/Speaker Details :

**Name :** Mrs .O.Naga Sai Kumar

**Designation :** Corporate Trainer

**Organization :** Sattvaq Solutions, Chennai

### Brief about Speaker :

As a Goal-oriented Computer Science graduate specialized in Business Analytics, I seamlessly integrate my analytical skills with practical experience. Committed to enhance data-driven decision making with enthusiasm, and positivity. With a strong work ethic and a passion for learning, I aim to excel by completing tasks, actively participating in learning opportunities, and closely shadowing experienced team members.

- I am Neo – Skill Development Engineer (1+ year) Designed and delivered training programs on Full Stack Development for 3rd-year engineering students at SKG College, focusing on hands-on projects and industry relevant skills.
- ByteXL – Educator (Present) Serving as an Educator for Advanced Database Management Systems (ADBMS), delivering structured training sessions to final-year and 3rd-year engineering students.
- Engaged students through interactive teaching methods, assessments, and doubt-clearing sessions to ensure effective learning outcomes.

### Outcome of the activity :

- Cultivate creative and critical thinking: Seminars move beyond rote learning to foster a culture of inquiry and exploration. They encourage students to challenge assumptions and think creatively to develop innovative solutions.
- Develop 21st-century skills: A core objective is to equip participants with skills like

collaboration, effective communication, and problem-solving to succeed in a technology-driven world.

- Encourage entrepreneurship: Seminars promote an entrepreneurial mindset by teaching fundamental business concepts and helping young innovators develop and refine their ideas into viable business models.
  - Connect with mentors and experts: Events often provide networking opportunities for students to connect with industry professionals and successful entrepreneurs. These mentors offer valuable guidance and feedback.
  - Foster hands-on learning: Many programs emphasize learning by doing, offering workshops, ideation sessions, and hands-on projects where participants can apply their knowledge to real-world challenges.
- 
- **Key Highlights:** Guest speaker sessions: Events frequently feature talks from leading researchers, industry experts, and successful entrepreneurs. These sessions provide inspiration and insider insights.
  - Practical, hands-on learning: Many seminars move beyond theory with immersive workshops and hackathons. For example, a "Summer Innovation Odyssey" hackathon emphasizes teamwork and hands-on problem-solving.
  - Opportunities for collaboration: Participants have dedicated networking time to connect with peers, mentors, and industry professionals, fostering a collaborative community.
