

DEPARTMENT OF CSE(AI & ML)

Report

Department of CSE (AI&ML) in association with Institution's Innovation Council (IIC 7.0), Ministry of Education (MOE's), Govt. of India, organized **"IDEA PITCHING COMPETITION"** event on 25th July 2025, Venue – 119, B-Block.

1. Objective of the Program

- The primary objective is to spark and nurture innovative ideas, encouraging participants to think outside the box and develop novel solutions.
- The competition offers a structured environment for individuals to practice and refine their presentation skills, particularly in the context of pitching ideas to potential investors or stakeholders.
- The event serves as a mechanism for identifying promising ideas and start-ups that may be worthy of further development and investment.
- Successful participants may receive mentorship, funding opportunities, or access to incubation programs, helping them translate their ideas into tangible projects.
- Idea pitching competitions can instil an entrepreneurial mind-set in participants, encouraging them to pursue their ideas and contribute to economic growth.
- Participants learn to articulate their ideas clearly and concisely, which is crucial for success in any field.

2. Benefits /Outcome of the Program

- The competition raises awareness about the importance of innovation and the potential for turning ideas into reality.
- Participants gain practical experience in presenting their ideas effectively, which is valuable for future entrepreneurial endeavours or job applications.
- Successful pitches can lead to securing funding or mentorship, providing the necessary support for further development.
- The competition can foster a sense of community among innovators and entrepreneurs, creating a supportive environment for idea generation and development.
- If successful, the ideas presented can lead to real-world solutions that address specific problems or contribute to economic growth.
- Participating in an idea pitching competition can lead to personal growth, increased confidence, and enhanced professional skills.
- The feedback received from judges and mentors can help participants validate their ideas and refine their approaches.
