SUSTAINABLE DEVELOPMENT GOALS

SDG MAGAZINE : 2023-2025

NSS VISION AND MISSION

VISION

To build a sense of social responsibility, leadership, and community engagement among youth by encouraging them to actively participate in nation-building activities and contribute to the development of society with dedication and selflessness.

MISSION

To provide students with hands-on experience in social service, instilling values of compassion, discipline, and teamwork.

The NSS aims to promote community service, social awareness, and sustainable development through various initiatives such as education programs, donation drive, medical camps, cleaning drives and plantation programs, fostering a spirit of volunteerism and national integration.

SDG 1 : NO POVERTY

End poverty everywhere in all its forms.

1. Stationery Donation

The NSS volunteers have donated stationery items like **Exam Pads, geometry boxes, pens, pencils, erasers, etc** for the adopted government school children. This initiative aimed to support their academic journey and encourage them to excel in their upcoming examinations.

3. Old Clothes Donations

The NSS unit of CMRTC organized a donation drive from **27-11-2023 to 10-12-2023**, in which faculty, students, and volunteers actively participated by donating old clothes. A total of **8 boxes** were collected and distributed in slum areas and to homeless people. Volunteers identified and selected a nearby slum for the distribution, where they witnessed the struggles of people who cannot afford even basic clothing. This experience deeply impacted the volunteers and inspired them to plan more donation drives in the future.

4. Adoption of an Elderly Woman

The NSS Unit of CMR Technical Campus has undertaken a Noble initiative under its **Sahaya Wing** by adopting an elderly woman from Kandlakoya village. As part of this ongoing act of social responsibility, our volunteers will be providing her with essential **groceries** and **fresh vegetables** on a regular basis to ensure her nutritional needs and to support her overall well-being. This initiative not only reflects our commitment to community welfare but also aims to foster empathy and a sense of service among our students.

5. Orphanage Adoption

The NSS unit has adopted the **Yellampet Orphanage** for the specially-abled and has consistently been at the forefront in extending support. Volunteers regularly visit the orphanage, interact with the residents, and provide essential items such as groceries, and hygiene products whenever the need arises. This ongoing relationship reflects the unit's strong commitment to social responsibility and inclusivity. By offering emotional support along with material aid, the volunteers strive to bring joy, comfort, and a sense of belonging to the specially-abled children, fostering a compassionate and caring environment.

SDG 2: ZERO HUNGER

End hunger, achieve food security, improve nutrition and promote sustainable agriculture.

1. Food Donations at adopted Orphanages

The NSS Unit of CMR Technical Campus initiated food donations to collect leftover food from family gatherings, weddings, and events. This initiative aims to reduce food wastage and serve the needy in local communities. Every small act of kindness can bring a big change in someone's life.

SDG 3 : GOOD HEALTH AND WELL-BEING

Ensure healthy lives and promote well-being for all, at every age.

1. Blood Donation

Our volunteers have always been at the forefront, stepping in whenever needed. They have been sent to hospitals during emergencies to donate blood, ensuring timely help reaches to those in need. Beyond emergencies, they actively participate in awareness campaigns, encouraging others to join this noble cause. Their consistent efforts highlight a deep commitment to building a healthier and more compassionate society, proving that small acts of kindness can truly make a big difference.

2. Medical Camps

Our NSS unit has organized medical camps in collaboration with **CMR Hospital** at the adopted schools. These camps provided free medical checkups, consultations, and health awareness sessions. This initiative, conducted in partnership with CMR Hospital, benefited the local community by promoting well-being and offering essential healthcare services, including checkups and general health assessments.

3. Diabetics Awareness Campaign

In 2023, the campaign focused on the importance of knowing one's risk of **type 2 diabetes** to help delay or prevent the condition. It also highlighted the impact of diabetes-related complications and the need for access to proper information and care for timely treatment and management. In view of **World Diabetes Day**, NSS volunteers organized a rally to raise awareness among the people of Medchal town in association with **CMR Hospital and Medical College**. Students carried placards displaying messages to educate the public about diabetes.

4. YOGA

Our volunteers have been actively involved in promoting **physical and mental well-being** through activities like yoga. During visits to the adopted schools, they conducted interactive yoga sessions for the children, teaching them basic postures, breathing techniques, and the benefits of regular practice. These sessions not only helped the children improve their focus, flexibility, and overall health but also introduced them to the importance of mindfulness and self-discipline. By incorporating yoga into their routine, the volunteers aim to instill healthy habits in the young minds, contributing to their holistic development and well-being.

5. 2k RUN FOR DRUG AWARENESS

The CMRTC students have participated in **2K run** for drug free environment on December 21, 2024. The "**2K Run for Drug-Free**" event was organized to promote awareness about the importance of living a drug-free lifestyle. It aimed to encourage community members to embrace health, fitness, and sobriety while spreading a strong anti-drug message. This event encouraged physical activity as a healthy alternative to destructive habits.

7. Bamboo Sanitary Napkins Donation

On November 7, 2024, CMRTC CSE volunteers visited **ZPHS-Kompally** and distributed **Bamboo sanitary napkins** to promote the use of sustainable and eco-friendly menstrual products. This initiative aimed to address menstrual health and hygiene by providing access to safe and biodegradable alternatives. By encouraging the use of bamboo sanitary napkins, the volunteers sought to raise awareness about the environmental impact of conventional sanitary products and promote healthier, more sustainable choices among young girls. This thoughtful donation not only supported menstrual health but also contributed to the broader goal of environmental conservation.

8. Sanitary Napkin Vending Machine

A **Sanitary napkin vending machine** has been installed at the **NSS Office, CMRTC**, to ensure easy access and hygiene support for girls and women. This initiative promotes menstrual health and well-being while promoting dignity, reducing stigma, and empowering women through equal access to basic hygiene needs.

9. Awareness Program on Seasonal Diseases

On 24th July 2025, the NSS volunteers of CMRTC in collaboration with **Pioneer wing** and **Medical wing** conducted a **Seasonal Diseases Awareness Rally** in Kandlakoya village and adopted schools. The event aimed to educate the community and school children on preventing diseases like dengue, malaria, and viral fever. NSS volunteers raised awareness through slogans, posters, and interactive sessions. Informational pamphlets were distributed to promote hygiene and cleanliness.

SDG 4 : QUALITY EDUCATION

Ensure inclusive, equitable quality education and promote lifelong learning opportunities for all.

1.SCHOOL VISITS – TEACHING, TECHNICAL EDUCATION, PHYSICAL EDUCATION AND LIFE SKILLS

NSS volunteers visited schools regularly, supporting students' overall growth through academic, technical, and physical education. They provided academic support, introduced basic technical concepts, and promoted physical well-being through sports and fitness sessions. These efforts aimed to foster holistic development, nurturing intellectual, physical, and moral growth, while creating a positive learning environment.

3. STRESS FREE ENVIRONMENT – BOARD EXAMS

As part of the “**Stress-Free Examination**” initiative, NSS volunteers conducted a special session for board exam students, offering a motivational speech on how to manage exam pressure with confidence and calmness. They shared useful tips on time management, effective study techniques, and the importance of maintaining a balanced routine. The session aimed to boost the students' morale and reduce anxiety as they approached their exams. In addition to the speech, the volunteers also donated essential stationery items such as pens, pencils, scales, and notebooks to ensure the students were well-equipped and felt supported in their academic journey. This thoughtful gesture was well-received and left a positive impact on the students.

SDG 5 : GENDER EQUALITY

Achieve gender equality and empower all women.

1.CYBER CRIME AWARENESS PROGRAM – PROJECT PROTECT

The “Cyber Crime Awareness Program – Project Protect” was conducted by the Telangana Police to educate students about the rising threats in the digital world. The session aimed to raise awareness on various forms of Cyber Crime such as online fraud, cyberbullying, identity theft, and misuse of social media. Students were guided on safe internet practices, how to recognize and avoid suspicious online activities, and the correct procedures to report cyber incidents. The program aimed to empower students with the knowledge and tools needed to navigate the digital space responsibly and securely, promoting cyber safety among the youth.

2.Celebration of National Girl Child Day

On the occasion of **National Girl Child Day**, the NSS volunteers organized a special awareness event on 24-02-2024 to highlight the significance of empowering and supporting the girl child in society. During the event, volunteers addressed the various challenges that girls face on a daily basis, including gender discrimination, lack of access to education, and societal pressures. They emphasized the importance of creating a safe, inclusive, and encouraging environment where girls can thrive and reach their full potential. The session also focused on educating students about the Rights of Girls and the need for equal opportunities in all aspects of life. By promoting awareness on women empowerment, gender equality, and legal protections, the event aimed to inspire collective responsibility in building a society where every girl is respected, valued, and given the chance to succeed.

3.Awareness on “GOOD TOUCH AND BAD TOUCH”

GOOD TOUCH BAD TOUCH: The NSS unit of CMRTC conducted an awareness program on “**Good and Bad Touch**” in adopted schools. The aim was to educate children on personal boundaries and help them recognize inappropriate behavior. Volunteers used simple language, visual aids, and interactive sessions to explain the difference between good and bad touch. Students were taught how to respond in uncomfortable situations and encouraged to speak to trusted adults. The session promoted open communication and reassured children that seeking help is a sign of strength. A Q&A segment allowed students to ask questions and share thoughts freely. Teachers appreciated the initiative and its importance for young learners. To encourage participation, small gifts were distributed to the children. The program created a safe and friendly environment for learning. It reflected the NSS wing’s commitment to promoting child safety and awareness.

SDG 7 : AFFORDABLE AND CLEAN ENERGY

Ensuring access to affordable, reliable, sustainable and modern energy for all.

1.Celebration of National Energy Conservation Day

The **NATIONAL ENERGY CONSERVATION DAY CAMPAIGN** was organized on **14 Dec, 2023**. The primary goal of the energy conservation campaign was to encourage students to turn off fans and lights and fostering a culture of energy efficiency within the campus community. Volunteers displayed various handmade/digital posters across campus highlighting the importance of energy conservation. NSS volunteers conducted awareness sessions to educate peers about the impact on environment with unnecessary energy consumption.

SDG 8 : DECENT WORK AND ECONOMIC GROWTH

Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all.

1.Eco-friendly Stalls

To support local artisans and promote sustainable craftsmanship, our unit organized stalls showcasing eco-friendly **clay diyas** and clay Ganesha idols. This initiative provided a platform for artisans to exhibit their handmade products, preserving traditional skills while encouraging environmentally conscious choices. Each item was crafted from natural materials, ensuring minimal environmental impact and adding cultural value to festive celebrations. The initiative aimed to raise awareness about sustainable living while supporting the livelihoods of skilled artisans. It reflects our commitment to sustainability, heritage preservation, and community empowerment, inspiring people to embrace eco-friendly practices and appreciate traditional art forms.

2.Village Survey

NSS volunteers conducted a comprehensive village survey as part of their community outreach initiative. The survey aimed to assess the socio-economic conditions, basic amenities, education levels, health status, and livelihood patterns of the villagers. Volunteers interacted with residents, collected valuable data, and identified key areas requiring attention and support. This initiative not only helped evaluate the developmental needs of the village but also provided volunteers with a deeper understanding of rural life and the challenges faced by the community. The insights gathered will be used to plan and implement meaningful activities for the betterment of the village.

SDG 10 : REDUCED INEQUALITIES

Reduce inequality within and among countries.

1.Equal Access to Education

Following the instructions of JNTU-H, the NSS unit organized a series of competitions on 7th April 2025 on the theme '**Equal Access to Education**' to promote awareness about inclusive and equitable learning opportunities. The events included **essay writing, declamation, poetry, and painting contests**, providing students with a platform to express their ideas creatively and thoughtfully. Participants addressed issues such as gender inequality, financial barriers, and lack of infrastructure, while also proposing solutions to bridge the educational gap. These activities encouraged critical thinking and highlighted the importance of ensuring quality education for all, regardless of background or circumstances.
