By accepting your offer of a place, a Student Contract will be formed between you and the University. This Offer Letter, the Student Contract (and the documents referenced within it), detail the rights and the obligations you will be bound by during your time as a student and contain the obligations that the University will owe to you. You should read the Student Contract before you accept an offer of a place and before you enrol at the University.

Your Student Contract with the University begins as soon as you accept your offer. If you want to cancel your place, you have the right to do so within 14 days of accepting the offer. Within that 14-day cooling off period, you do not have to give a reason for cancelling. However, you must tell us that you want to cancel your place in a clear, written statement. If you need help making your statement clear, you can fill out the cancellation form attached to the enclosed Student Contract and email it to applications.io@coventry.ac.uk.

CAS Shield & Ongoing Monitoring

As a sponsor of student route visas, the University is required to confirm that applicants are credible prior to the issuance of a Confirmation of Acceptance for Studies (CAS) letter. Our compliance procedures and checks are facilitated in CAS Shield, a website provided by the University's partner Enroly. Applicants seeking the University's sponsorship for a student route visa and the issuance of a CAS, are expected to make any payments of tuition fee deposit defined in the payment schedule above for release into CAS shield, and once released, we expect applicants to perform the following tasks in CAS shield:

- Upload copies of all relevant qualification certificates
- Upload copies of English Language qualification
- Upload copies of any previous visa refusals for assessment
- Complete verification of your own information in the Info Check section
- Completion of the Pre-CAS questionnaire

If indicated in the offer conditions above, you would be required to:

- Upload copies of financial documents such as bank statements and all supporting evidence for assessment in CAS Shield
- Participate in a credibility interview assessment within CAS Shield before the deadline to meet your conditions

We will endeavour to provide access to CAS Shield to enable participation in credibility check procedures (these include financial evidence checks and/or credibility interviews) following receipt of the portion of the tuition fee deposit required for CAS Shield access.

The information gathered through completion of these tasks, the upload of documents both within and outside of CAS Shield will be used to assess your eligibility for a CAS. The University reserves the right not to sponsor applicants where their individual circumstances may compromise or pose a risk to its sponsor licence.

The admissions team will actively monitor all CAS issued to applicants until they complete their enrolment. We will require updates on the progress of your visa application, travel plans and arrival dates during this period via CAS Shield. You should upload documents and information as it becomes available in CAS shield (eg. Visa application outcomes, visa refusals). We may also reach out with specific requests for information via email or telephone – please ensure you are actively monitoring for and engaging with these communications. Failure to provide a timely response to requests for information, or upload documents that are required, may result in the withdrawal of the University's sponsorship of your student route visa. In addition, to provide the best possible service and/or visa advice, we need to be aware of the latest information.

Please also ensure you are actively engaging with tasks, information verification activity and induction through Aula which can be accessed in the enrolment portal .

Please note: UKVI operations are separate from the University, and we cannot influence processing times and/or outcomes. If you have any concerns, complaints or queries around the processing of your visa application, we would recommend you contact them directly.

Verification of Application Documents

The University actively undertakes verification of all documents submitted as part of an application, during enrolment or in the assessment of credibility. As part of our ongoing quality assurance procedures, we monitor for fraudulent, deceptive and misleading practice within the application process to the University and may undertake further verification of documentation. You will be advised if any document submitted as part of your application or enrolment requires further verification, and in accepting this offer you are providing permission for us to contact a third party. Documents which cannot pass our stringent verification procedures and/or have been identified as fraudulent, deceptive or misleading will result in your application or enrolment being cancelled and your offer or enrolment being withdrawn as outlined in the University's regulations. In addition to this, failure to provide prompt necessary information, or the failure of a third party to respond to our request for verification may also result in your application being cancelled and any offer or sponsorship withdrawn.

Tuition Fees

The University will charge tuition fees in accordance with the 'Tuition Fee Terms and Conditions and Refund Policy. **Please ensure that you read the 'tuition fee terms and conditions''**:

<https://www.coventry.ac.uk/the-university/key-information/registry/withdrawal-refunds/>

International Students (Non-EU) are required to pay a tuition fee deposit at each Academic Stage/Year to secure a place. Before you can fully enrol onto your course, or each Academic Stage/Year, **£8000.00 of your full tuition fees for the relevant Academic Stage/Year must be received by the University.** Please ensure you allow sufficient time (approx. 7- 10 working days) for your payment to be processed by your bank, received by the University and credited into your student account. You may not be able to attend classes and have full access to University facilities, if you do not fulfil all the requirements for enrolment.

If you have to extend your studies beyond the normal duration of the course (e.g., to repeat a year or re-sit examinations) the University reserves the right to charge you fees at a higher rate during the additional period of study.

This offer is produced on our understanding that you are an overseas fee payer. If for any reason you believe you are a Home student, you need to complete a fee assessment form and provide all supporting documents for us to assess and confirm your fee status. We will need this completed at least 8 weeks to the start of your course. No applications for fee assessment will be accepted if we will not have enough time to process your request and make an informed decision to confirm your fee status before you are enrolled on the course. If you commence your studies as an overseas fee payer, without a fee assessment, you will remain an overseas fee payer for the duration of your course, unless there is a significant change in your immigration status and at the University's discretion.

Please note you may be asked to provide evidence of your financial documents before your CAS is released to you. Your financial documents must meet the requirements for a student visa application. You can find more information here: <https://www.gov.uk/student-visa>.

EU Students

If you have the right to live in the UK, including under the UK Government's EU Settlement Scheme or because you are from the Republic of Ireland, you may be exempt from paying international fees and we encourage you to contact us via ukadmissions@coventry.ac.uk to discuss this further. Please note you will be required to provide documentation to prove your fee status eligibility.

Relevant Unspent Criminal Convictions

The University asks all individuals seeking sponsorship by the University to declare any relevant unspent criminal convictions in accordance with its 'Disclosure of Criminal Convictions Policy and Procedure'. If you accept this offer, you will receive an email with a declaration form which you must return to the University for consideration before your CAS will be issued to you.

You can see the 'Disclosure of Criminal Convictions Policy and Procedure' [here](#)

How to Pay (you will need to quote your Student ID number and full names when making payment):

You can see all the ways that you can make a payment [here](#).

*** In some instances, we may need to track your payment to process your application further, please retain your proof of payment to facilitate tracking of that payment where necessary (e.g., MT103 form).

Please note that students or 3rd parties may no longer be able to pay in Cash deposits at the branch counters at some UK banks. We strongly advise you make your tuition payment(s) using one of the options highlighted above.

Tuition Awards and Scholarships

If you have been awarded a tuition award or scholarship, you will only be able to apply them onto your final tuition payment (not towards your second instalment). If paying your full fees upfront, at once before enrolment, we recommend that you deduct the value of the tuition award or scholarship before making your full payment. Refunds could take numerous weeks to process.

Academic Progression

If you have ever studied in the UK prior to joining the University, you must provide details of any study undertaken, including results and copies of visas held. You should also inform us of any courses you have failed or failed to complete for any reason. Failure to disclose this may result in visa refusal or withdrawal of our sponsorship of your study in the UK.

Sponsored Students

If you are being sponsored by a UKVI approved organisation (such as your Government or your employer), please ensure you provide us with a formal and acceptable letter of Sponsorship confirming the terms of the sponsorship, in accordance to the tuition and maintenance fees stated above.

Please note that the University does not accept MOHE sponsored student onto Undergraduate courses that are less than 3 years in length.

Completing the under- 18 Parental Consent and Guardianship Form (if required)

If you are under the age of 18 at the time you accept this offer, you need your parent or guardian's consent and you must fill in the form providing us with contact details of a UK-based parent or AEGIS Gold Standard Guardian, who will be accessible to the University should the need arise. For AEGIS Gold Standard Guardians there is a charge. Please see the [website](#) (linked) for more details.

We will not issue your CAS letter if this form is not completed fully and returned to us.

Alternative Offers

Please note that admissions onto our courses are subject to you fulfilling our minimum entry requirements. If we assess your application and qualification(s) (with you providing a portfolio, undergoing a faculty interview where required) for a particular course, we may have offered you an alternative course that is more suitable to you based on your qualifications and skill set. Please note, alternative courses offered may take place at one of our other campuses. Please read the offer details above very carefully.

MDes or MEng Programmes are over four years with the possibility of doing an Industry Enhancement year. This is reflected within the exit titles associated with the four-year courses, either Sandwich BA/BEng (Hons) qualification or an integrated Masters course with an MDes/MEng qualification. The Integrated Masters route is designed for high achieving students to continue their studies and to develop advanced technical skills; as such, achievement attained during level 2 is used to determine suitability for progression. Additionally, a three-year BA (Hons) degree is available for those wishing to omit the Industry Enhancement year. We would only issue an offer and CAS for a standard 3 year or 4-year BA/BSc Degree and not for an integrated masters.

If you opt to extend the length of your course after your visa has been granted and this extension does not involve an Industrial placement, you will be required to return to your home country in order to extend your student visa. You will be responsible for covering all additional costs associated with this including visa applications and return travel.

Applying for an ATAS Certificate (if required)

If any of your subjects are listed in the attached ATAS list, you must apply and obtain an ATAS certificate (issued by the Academic Technology Approval Scheme), before you apply for or extend your Visa, Entry Clearance, or Extension of Stay. If your course is not listed, it **MAY STILL require ATAS, so please ensure you check the Home Office website for updates. Please visit <https://www.gov.uk/guidance/academic-technology-approval-scheme> to apply online for your ATAS certificate **if required** and obtain more information on the scheme.**

If an ATAS certificate is required, you will not be granted access to your learning materials or be permitted to enrol onto your course until you provide a relevant ATAS certificate to the University.
